SERVICES GUIDE

LARGE & DIVERSE FLEET

Our fleet of current model vehicles caters for all of our customers' requirements. Thrifty's fleet ranges from small economical cars to large sedans, SUVs as well as 4WDs and minibuses (larger sizes available on request, 12 and 21 seaters). All vehicles are air-conditioned.

AIRPORT DESKS

For customer convenience Thrifty is located at all major Airports throughout the Northern Territory & Kimberley. Pick-up and drop-off facilities are available at major airports, and customers can experience a speedy and efficient check-out service. Our airport desks are staffed for all scheduled domestic flights and parking is located close to the terminals. Please make sure you provide Thrifty with an incoming flight number for all clients wanting to pick up off a flight in case of delays/time changes, etc.

ONE-WAY-RENTALS

A great way to see the Northern Territory and Kimberley Region is to pick up a vehicle from one location and return to another. This service is available between all Thrifty NT locations, subject to availability and a one-way rental fee.

TOURIST INFORMATION AND MAPS

Thrifty provides free tourist maps to all customers and our local staff are always happy to provide "local knowledge" on both the popular and even the not so popular attractions.

LUGGAGE TRAILERS

Luggage Trailers are available (on Request) for Toyota Commuter 12-seat buses (rates available on request) from Alice Springs Downtown, Airport & Darwin City & Airport location for a nominal fee.

EXTRA TYRES

For some 4WDs a second spare tyre can be hired (subject to availability). They can be requested for pick up from Darwin, Alice Springs, Ayers Rock, Kununurra and Broome and are subject to availability. Cost is from \$22.00 (incl GST). Please note: extra spare tyres will sit in the rear cargo area of our 4wd wagons taking up some potential luggage space.

If a second spare on a rim is not available we can offer to hire a tyre itself not on a rim starting at a cost of \$11 per day. The client would then have to get the tyre fitted to a rim by a tyre fitter. We would only charge for the complete cost of the tyre if it is used. This is especially useful for travel around the Kimberley where the purchase of a new tyre from a remote location is very expensive.

ROADSIDE ASSISTANCE

Standard roadside assistance is included in the rate quoted. Please see our rental Terms and Conditions for details. *Please be aware that response times for vehicles requiring roadside assistance in remote or isolated locations may take many hours.* Thrifty maintains its vehicles to the highest possible standard with strict servicing and inspection schedules.

LOSS OR DAMAGE COVER

1. Loss or Damage Cover

The following is a general overview of the loss and damage cover available to a driver of a Thrifty vehicle. It is subject to exclusions and limitations - please refer to our Standard terms and conditions for full details of the exclusions and limitations.

1.1 Compulsory Third Party Insurance (CTP)

All Thrifty vehicles have Compulsory Third Party Insurance (CTP), according to legislation within each respective state or territory. CTP insurance covers all third party persons or passengers injured during an accident. CTP cover is included in the daily rate charged by Thrifty. The Claims Department does not process claims for CTP; the relevant CTP insurer will deal with these claims direct.

CTP insurance DOES NOT provide cover for injuries sustained by the driver at fault. CTP

insurance also DOES NOT provide cover for damage to property or motor vehicles.

1.2 Damage Recovery Fees

A fee is payable by the renter for ANY loss or damage to our vehicle regardless of cause/fault (i.e. whether it results from accident damage, hail damage, theft etc.) (Damage Recovery Fee or DRF). The DRF is payable for EACH SEPARATE incident of damage (e.g. if a vehicle sustains accident damage and hail damage within the one rental period, then 2 separate fees will apply). The amount of the DRF is calculated and then stated on the first page of the rental agreement signed by the renter at the time of collection of the vehicle. Please see below for details.

2. Standard Cover “SC”

All Thrifty vehicles have Standard Cover which covers damage caused to the vehicle and third party property. Tyre and windscreen damage is not included. Standard Cover is subject to conditions and exclusions so please see our Standard Terms and Conditions for details.

2.1 Standard Cover Fee

Standard Cover is included in the daily rate.

2.2 (Standard Cover) Damage Recovery Fee

The DRF, including GST, is set out below:

	Over 25 Years	Under 25 Years
Passenger vehicles and 8 seater minibus	\$5,500	\$5,500
4WDs, buses	\$6,001	Not permitted

In addition, a Premium Location Surcharge may also apply. These fees are subject to change.

3. Ultimate Protection “UP”

3.1 The renter may choose a City or Airport Ultimate rate or pay the appropriate fee on pick up and initial the rental agreement for the Ultimate Protection cover to take effect. The renter will be provided Standard Cover. In addition:

- DRF will be NIL; and
- Tyre and windscreen damage is covered when the damage is accidental.

NB: No vehicles are covered in the event of water damage or undercarriage/roof overhead damage.

NB – Subject to the exceptions set out in our Standard Terms and Conditions, or if a renter or Authorised Driver breaches our Standard Terms and Conditions, Standard Cover, or Ultimate Protection may not cover the driver or renter and the renter will be liable for all damages incurred by Thrifty. All fees and charges listed in the loss or damage cover section are subject to change without notice.

PERMITS

Standard Damage Cover is not valid in the event of unauthorised entry into aboriginal land or breach of permit conditions and/or regulations. If travelling is likely to be into any Aboriginal Permit area Thrifty must be advised at time of reservation so that vehicle suitability can be checked, if travel into permit areas is not noted on rental agreement the renter is liable for any/all vehicle recovery costs and damages.
